*--End of Motion— (no change to Article 8b)*

For the following reasons:

To bring the PNC Bylaws into conformance with current practices in place as part of our covenantal connections and responsibilities with the wider United Church of Christ. In particular, the National Staff of the United Church of Christ has moved into use of the new Manual on Ministry. This amendment allows the PNC to continue to partner with the wider United Church of Christ, including other Conferences and Associations, in this use. It empowers the PNC Committee on Ministry to fully join with other UCC settings to minister to the churches and ministers “with standing” with more clarity and better focus.
