

More and more church members are feeling the call to justice work but congregations and clergy don't always have time and resources to get them going. Let us help! Our programs are designed to equip and empower lay leaders as they start, revive, or clarify their justice journey.

Encourage interest in justice work within your conference or congregation by sharing Justice Leadership's upcoming opportunities. **Please share the short descriptions and links below**, images attached if desired. And we always welcome feedback!

The [3-month Jubilee program](#) is for adults who are interested in integrating faith and justice work into their lives in a meaningful and transformative way. This online program provides a basic foundational introduction to social justice in faith, in personal reflection, and in methodology and practice. The small group cohort meets weekly and space is limited. This Justice Jubilee starts in October 2024 and applications must be received no later than September 15th.

If a single class more your speed right now join the [Empowerment in Advocacy](#) class on April 17th, 2024. Find your voice through advocacy and explore ways to create positive change in your community and beyond.

JLP is an ecumenical program and a grant recipient of the Global H.O.P.E. and Faith INFO teams of the United Church of Christ.
